Introduction:

The land and property section in Ras Al Khaimah Municipality launched a set of electronic services to save customers time and effort and enable them to submit their requests at any time and from anywhere.

The Opens an Office in the Land Register Request allows customers to register a real estate office license in Municipality based on the Initial approval from DED with the mortgage of the property (bank guarantee not available) + making an undertaking to practice the activity + approving the signature, after attach the required documents and pay the required service fee.

This guide shows customers how to access the Opens an Office in the Land Register Request. It also guides them on how to create, send and track the request electronically.

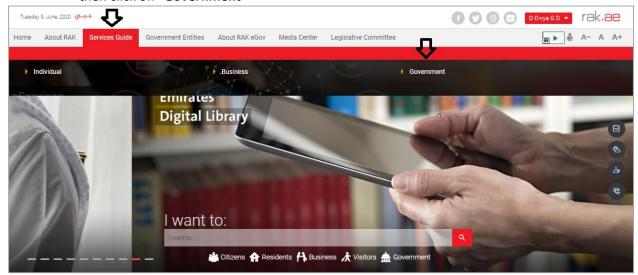

Customers will be able to log in to the electronic services of the section, submit requests, track requests, modify requests (if necessary), re-submit the requests after applying the modifications electronically, and finally obtain their required certificates either electronically or by receiving them from the Customer Happiness Center as per the need for the original copy.
